THIS COLLABORATIVE IS SPECIFIC TO THOSE IN RECOVERY
COLLABORATIVE CONNECTIONS: RECOVERY IN MOTION

Have you ever heard the saying, "it takes a village"? **WELL, THAT VILLAGE IS YOU.**

You can make a difference in your community and that difference comes through awareness, education, and support.

That is why we are asking you to join us, share your ideas, and become a part of the solution. Together, we can put the pieces together, learn and empower each other, and show the world that we can and do recover!

This learning collaborative will bring people in recovery to the table to discuss key components within the recovery process and what the recovery community can do to advocate for the expansion of recovery supports throughout Nevada.

SEE YOU THERE!
